The Honorable Mark Sanford
Members of the General Assembly
of South Carolina

Dear Governor and Members:

Pursuant to Section 11-15-100 of the Code of Laws of South Carolina, 1976, as amended, I have the honor of transmitting herewith the Annual Local Government Debt Report prepared by the Office of the State Treasurer on the total debt outstanding of local governments in South Carolina for Fiscal Year Ended June 30, 2003.

The debt information provided in this report meets the statutory requirements for reporting annually on the outstanding debt obligations of all local governments. It also serves as a valuable tool to those seeking information for purposes of marketing, purchasing or selling such debt securities, or for economic development in some of these communities.

I am proud to say that the State continues to enjoy the AAA credit rating by all three major credit rating agencies, the highest rating in the nation. This high credit rating saves the taxpayers of the state millions of dollars in financing of its debt as well as political subdivisions in the financing of their debt. South Carolina is currently one of only seven states that enjoy the AAA credit rating from all three major rating services.

I am pleased to submit this comprehensive report.

With kindest regards, I am

Very truly yours,

Grady L. Patterson, Jr.
State Treasurer
